The 2018 PHS Philadelphia Flower Show, "Wonders of Water," will celebrate the beauty and life-sustaining interplay of horticulture and water.

America's leading floral and garden designers will create tropical jungles, temperate forests, native woodlands and arid landscapes, showcasing the astounding plants that thrive in each environment, from exquisite orchids and flowering vines to luminescent desert blooms.

The annual Flower Show is a top destination and "must experience" horticultural event, attracting 250,000 visitors annually to the Pennsylvania Convention Center, a showcase of excellence that dates back to 1829.

Lunch is on your own at the Convention Center or at any of the nearby local eateries including the popular Reading Terminal Market.
